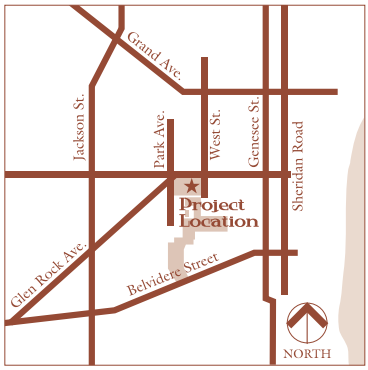
## Location



## Disclaimer

The cost to purchase an engraved paver for installation at the Veterans Plaza is $200. Engraving of up to 144 letters will be included in the purchase. The engraving must conform to the space limits of 16 characters in nine lines. The engraved pavers are for the purpose of honoring those who served the United States military. Engraved messages shall be limited to honoring United States veterans who served in one of the five military branches. Commercial messages will not be allowed. The Waukegan Park District reserves the right to review, determine location, approve or reject all engraving requests.
