How You Can Help

- Become a homework helper/tutor-mentor in our after school program and change the life of a child forever.
- Help in our computer lab and teach children some of the technical skills you have learned—skills that will help them be successful as they begin to enter the workforce.
- Host a fundraising event like a “girls night out” or a “bowl-a-thon” and donate the proceeds to the Boys and Girls Club.
- Become a mentor for our “Passport to Manhood” or “Smart Girls” program and help our youngsters learn how to make positive choices in their lives.
- Host a “House Party of Hope” in your home or party room and invite a small number of guests to come and learn more about the Club.
- Help us schedule presentations about the Boys & Girls Club of Lake County to your church group, women’s auxiliary, Rotary or other professional association that is interested in improving the quality of life for thousands of families across Lake County.

Call us at 847-473-5990 to learn more about how you can help.
