The Waukegan Park District's Cultural Arts Division is celebrating the Japanese Star Festival. Tanabata takes place on the 7th day of the 7th month of the year, when according to a legend, two stars, Altair and Vega, usually separated from each other by the Milky Way, are able to meet.

Make a wish for clear weather as you attach your personal wish for the upcoming year to the tree otherwise, Altair and Vega cannot meet.

Registration is not required but you may call 847-360-4740 for further details or if you need a special accommodation for this special event offered at the Bowen Heritage Circle.
