From Your Executive Director

The Waukegan Park District offers over 900 programs and services throughout the year. We try our hardest to strive for excellence in everything we do. One way to maintain excellent public services is to gather public comment and feedback. We have several initiatives and tools to measure customer satisfaction. We do take the feedback you give us and apply it to make improvements. Often a complaining customer is a valuable asset to get information from! So please, complain and let us know what you think is wrong and/or right with the park district.

Please feel free to email me or call me with your thoughts. Your communication will be kept confidential.

- What are we doing right?
- What are we doing wrong?
- What should we be doing that we are not?

See you in the parks this summer...
