Recreation Connection

Our brochure is published seasonally by the Waukegan Park District and is delivered by the U.S. Postal Service via bulk mail to all District residents. Current issues are available at all Park District facilities one week prior to registration dates. If you would like a copy mailed to you, please call 847-360-4700.

From Your Executive Director

In the parks and recreation industry, we often describe what we do in terms of benefits. Our programs, facilities and services benefit individuals, families, the environment and the economy. The four major benefits are equally important. To me, observing families at play throughout the district is most rewarding.

There are many opportunities for families to gather at the park district...remember we have something for everyone!

- Picnics in the parks. Probably the most popular summertime activity. When it's hot out, go green, turn off the AC and head to Bowen Park, where it certainly will be much cooler near the lake and under the beautiful oak tree grove. The Fall color is spectacular!
- The WorldWide Day of Play in September at the Field House has numerous free family activities. Spend an hour or all day there participating in "Go Healthy Month" activities.
- The Oakwood Cemetery Walk is a leisurely way to learn about the history of our city thru the live, interactive actors.
- The Turkey Trot is a fun event to run or walk and maybe even bring home a turkey. All age groups are able to participate. Our special events are geared so that there is something for everyone. They are a great way for families to play.

Remember...Families That Play Together Stay Together!

See you in the PARKS this Fall.
