

Greenshire Junior Golf League \$39/49

The popular Junior Golf League at Greenshire Golf Course will be back for 2010 and is better than ever before. For seven Mondays, the golf league plays at both Greenshire and Bonnie Brook. This coming season, more instruction for the younger levels is incorporated, which is what they need to learn the skills correctly. As in the past, we will have our returning 11-12 year olds playing starting at 8am. They will be followed by any returning golfers that have been approved to play by the professional staff (age 9-10).

This year for all new junior golfers and all 7-8 year olds, we will have three weeks of clinics starting at Bonnie Brook on Monday June 15. The reason for this change is simple. Most juniors are not prepared to go right out on the golf course, and in fact it could discourage them. We want to prepare your child in the best way possible to be a successful golfer and to enjoy this great game. Each week we will also have giveaways and fun contests.

Free clinic and tee time sign up is Monday, June 8 at Bonnie Brook. There will be no league play or instruction on July 5.

Leagues

Get committed to play the great game of golf at least once a week this season and join one of the many leagues that play at Bonnie Brook. Several openings will be available in morning and evening weekday leagues. Green fees are reasonable and playing in the league is a great way to meet some new people. Call the pro shop for listing of times and leagues with openings.

Play with the Pro Junior League (13-15 years) \$55/\$59

We are excited to introduce a new junior playing opportunity. The kids will play weekly from 1:30-3:30pm at either Bonnie Brook or Greenshire Golf Courses. One of staff professionals will alternate playing with the participants and giving instruction while out on the course. Exciting contests will also be played weekly for some nice prizes. A weekly greens fee of \$7 will be charged. Players will be separated by playing ability and age. This league is a natural progression from our existing junior golf league and geared toward junior golfers looking for some competition and thinking about playing in high school. Please call PGA Professional Tim Govern at 847-360-4735 with questions.
