- PLEASE NOTE - THE POLICY ON REGISTERING FOR SPECIAL OLYMPICS SPORTS!

Any athlete registering for a Special Olympics sports MUST have a valid Special Olympics Medical Application on file. Registration for all Special Olympics sports will be held until the athlete's Medical Application can be verified with SRSNLC staff. If the athlete does not have a current valid Medical Application on file, they will be required to submit one prior to completing the registration process and beginning the program.

Any athlete choosing NOT to participate in the competition aspect of the program will be asked to complete a "Non Compete" waiver.

Special Olympics Track & Field

Special Olympics Track and Field gives your athlete the opportunity to compete in a wide variety of traditional track and field events including the 200m run, shot put, and long jump just to name a few. Over the course of eight weeks you will prepare for the NISRA track and field meet and the Area 13 Special Olympics track and field meet.

Agnes 6-8 (6:00pm - 6:45pm)

Track and field for children ages 8 and under is a perfect way to get your child started in the world of Special Olympics. These children will train with children their own age in preparation for the NISRA track and field meet.

Agnes 8 and Up (7:00pm - 8:00pm)

For track and field athletes ages 8 and up you will train and compete at the NISRA track meet as well as the Area 13 Special Olympics track meet. A gold medal in your event or events at the Area 13 Special Olympics track and field meet means you have just qualified for Special Olympics Summer Games at Illinois State University in June.

Special Olympics Bocce Ball

Bocce is an ancient sport invented during the Roman Empire. The game combines the skill of bowling with the accuracy of darts. Players try to get their Bocce balls closer to the Pallina (target ball)

than their opponents. As a member of the SRSNLC Superstars Bocce Club you train for eight weeks in preparation for the Special Olympics Qualifying tournament in May. A gold medal at the Special Olympics Qualifying tournament means you have the opportunity to go for gold at Summer Games at Illinois State University.

The T.O.D.A.Y. Club

The acronym T.O.D.A.Y. stands for Together Opening Doors Around You. This program has been designed for adults, ages 18 and older, looking to enrich their lives in a safe and nurturing environment. As an alternative to the work place, the T.O.D.A.Y. Club will provide a safe environment for life skill education and social development through innovative activities, hands on learning and peer interaction. We will celebrate each by exploring the participant's community, resources, and personal potential. Participants should be trained in areas of personal hygiene and self care. The program runs from 10:00am-3:00pm.

Imagine a tot-sized replica of a town built especially for kids or a place where they can drive a car to the grocery store, gas up at the local gas station, be a star on stage or a pizza stand owner! Our Neighborhood is a place where children ages 1-6 practice various roles in a community, challenging themselves to explore, imagine and create, exercising both mind and body. They may even enter the Neighborhood's "backyard" where they can climb, crawl, slide and be busy bodies in a safe environment! We meet a variety of "Illinois State Early Learning Standards" that have been developed for Early Childhood Developmental Education.

Admission Prices: \$5 per child. Tickets can be purchased at the Registration Desk. Maximum capacity is 30 children, so get here early! All children must have an adult chaperone.

Closed: Nov. 24-25 and Dec. 3, 24-26, 31
