

Watercolor Supply List

Pat King

Hello. I look forward to painting with you. Although I have listed some of the supplies I will be using during this class please do not feel you must purchase any or all of them. If you have been painting for a while you may have your own favorites. If you are new to watercolor you will need the basic supplies.

Brushes

1" flat synthetic aquarelle brush
#6 sable round
#2 sable round
A rigger or another fine pointed brush

Tube Water color Paints

Most of my paints are Windsor Newton Professional grade paints. Beginners may want to purchase student grade paint. My suggestion is to buy the best grade paint you can afford.

Colors frequently used

Windsor Red	Vermillion Hue
Cadmium Orange	Cadmium Yellow Pale
Quinacridone Gold	Burnt Sienna
Cobalt Violet	Quinacridone Magenta
French Ultramarine Blue	Cobalt Blue
Cerulean Blue	Olive Green
Windsor Green [Blue Shade]	

Paper

I paint on Arches 300 lb and at times 140 lb Arches paper. You will have to stretch 140 lb single sheets. You may want to purchase a block of 140 lb Arches so you don't have to stretch your paper. Once again buy the best paper you can afford. If you are going to stretch your paper you will need a gator or homasote board and a stapler.

Other Supplies

You will need a palette of some kind. A white palette is recommended, masking fluid, a sketch book, pencil, and kneaded eraser, Rubber cement pick up, a small container of liquid soap, box of Kleenex, terry towel, a water container, masking tape or stapler for stretching your paper.

Reference Material

Please bring any sketches or photos of material you are interested in painting. I will be demonstrating each week on a variety of subjects and we will be doing some painting together so look forward to lots of fun, ideas, and tips. If you have any questions I'll try to answer them as we go along with our classes.
