

Mike Templeton

Mike Templeton

Guitar Faculty

A member of the faculty since 2010

Guitar for beginners

Private & Group

Mr. Templeton has been on the faculty since 2010.

Mr. Templeton has been playing guitar for a number of years

Ages: Teaches students who are children and adult who are new to the guitar. Group lessons begin at age six to twelve years and private lessons begin at age six and continues through adults.

Books: Mike uses the Mel Bay book with students.

Teaching Philosophy: Introduce the new student to beginner notes, tabs, chords and theory and to then facilitate the advancement of the student.
