This contract is in place to ensure that all athletes are treated with respect and so that they feel like an important part of the team.*

1. I will respect others, including my teammates, coaches, and opponents. This means I will treat others the way I would want to be treated.

# SRSNLC CODE OF CONDUCT

## Behavior Expectations

SRSNLC promotes the concept of “equal fun for everyone.” However, certain rules have been established to ensure the safety and enjoyment of all people. The following guidelines have been developed to help make SRSNLC programs safe and enjoyable for all participants. SRSNLC participants are expected to demonstrate appropriate behavior during programs. The basic behavior code of conduct insists that participants shall:

1. Show respect to all participants and staff, and take direction from staff.
2. Refrain from using abusive or foul language.
3. Refrain from causing bodily harm to self, other participants, or staff.
4. Show respect to equipment, supplies, and facilities.

A positive approach will be utilized regarding discipline. Individual behavior management plans may be developed on the advice of parents, staff or other professionals. If inappropriate behavior occurs, prompt resolution will be sought, specific to each individual situation. **SRSNLC reserves the right to dismiss a participant whose behavior endangers the safety of him/her self or others.**

## Consequences of Unacceptable Behavior

Participants may be subject to any of the following actions for unacceptable behavior. Below is a guideline for progressive discipline; however, the progression may be accelerated or slowed based on the severity and frequency of the unacceptable behavior.

For issues that are not major we may issue a participant progress report. This is in no way a behavioral warning; it is simply to inform you of something that may have happened during a program. For example, a participant may soil their pants. We will issue a progress report to inform the parent/guardian of the incident and how it was handled.
