Waukegan Park District Wins Government Finance Officers Award

Waukegan, IL (April 4, 2014) The Waukegan Park District received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada (GFOA) for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended April 30, 2013. “The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by the government and its management,” according to GFOA Executive, Stephen Gauthier in his letter to the District. The Financial Reporting Achievement Award recognizes James Glogovsky, Superintendent of Finance & Administration, as the individual responsible for the award-winning Comprehensive Annual Financial Report. Earlier in 2014, the Waukegan Park District Budget was recognized with the Distinguished Budget Presentation Award from the GFOA. According to Janet Kilkelly, Waukegan Park District President, “These two awards are the highest forms of recognition in the world of governmental finance and are a testament to the excellence of the Waukegan Park District and its staff.”

An impartial panel of finance professionals judges the Comprehensive Annual Financial Report to ensure the document meets the program's high standards of financial reporting and in the "spirit of full disclosure" clearly communicates the organization's financial story and motivates potential users and user groups to read the report. The Government Finance Officers Association is a nonprofit professional association serving approximately 17,500 government finance professionals with offices in Chicago, IL, and Washington, D.C.
