Otters: Swim Lessons for Youth with Disabilities

Tired of feeling like an otter out of water? Swimming is an essential life skill for safety, fitness, and fun! Special Recreation is offering swimming lessons for children with disabilities. All lessons are based on the Swim Smart Program, but are designed around the individual swimmer. Whether your goal is to just get comfortable in the water, support sensory experiences, or become a competitive swimmer, Special Recreation can guide you along the way. Jump on in, the water's great!

*Lessons are 30 minutes and have a maximum group size of 2 swimmers to one instructor. **Swim times are offered between 10am-1pm. Times will be assigned based on instructor availability and space in the pool.** Registrants will receive time assignments the week that class begins. Please contact Kari at 847-360-4763 to complete an initial assessment of your child's current skill level.
