

Children & Camps

BEFORE AND AFTER SCHOOL EXPERIENCE (B.A.S.E.) @ Field House Sports and Fitness Center Grades K-5

Your child will be in the care of highly qualified child care professionals while learning, playing, and relaxing at the before and after school programs. Activities include help with homework, a snack, crafts, play times, sports, nature activities, and more! Parents will need to make arrangements with Illinois Bus Company at 847-249-4100 to pick up and deliver students to and from program sites. Registration Fee \$10.

The cost of B.A.S.E. depends on the time your child is released from their respective school. First and last month's tuition is due at registration. No programs on school holidays or any day students do not attend school. Please see W.H.O Trips for programs offered on those days. More information will be provided upon registration regarding half-days. Call 847-360-4700 for more information. Registration for the 2016/2017 school year begins June 1, 2016 and is ongoing throughout the school year. We accept subsidized funding or transfers from outside agencies.

Kiddy Kickers—Soccer #40305101 Age 4-5

GOAL! Soccer is a great way for kids to really test their physical abilities! Children will learn how to maneuver their bodies around cones, up and down the soccer "field" and work on only using their feet! It will be not only a great learning experience, but a fun one. Instructors will base their class around educating and practicing a variety of soccer skills that are necessary for these lil' beginners to become soccer superstars! Program will be held outside in Belvidere Park so please dress accordingly.

BRC WE/FR 8/9-9/1 3-3:50pm Reg by 8/8 \$19/\$21 -1A

Family Science Night—Layered Liquids!

#40806402 Age 7-12

You may be able to layer or stack solids, but do you have what it takes to layer liquids? You may think that this task is seemingly impossible, however during this fun family science night we will explore just how to layer a liquid. During this science adventure we will also make a layered rainbow using food coloring and different forms of liquid! Want to figure out just how we will be able to layer a liquid without mixing it? Join us in figuring out the science behind layered liquids!
