OBEDIENCE TRAINING

We are here to help you teach your dog to become a well-behaved family pet, one that is a joy to own and a pleasure to take anywhere! All teaching and training methods from instructor Karin Nikopoulos are based on reward, motivation, and positive reinforcement, as well as dog and handler training needs. By using these effective methods, training becomes fun for both dog and owner! There are also plenty of opportunities for your dog to practice staying calm while socializing with other people and dogs. On the first night of class, please bring your dog's vaccination/health records. Owners of aggressive dogs must be in control of their pets at all times to remain in class. One owner per dog is required. Only registered dogs and owners may attend class. Dog and owner should attend all classes. Please do not use retractable leashes.

This class is always entertaining whether the dog does as you ask or not. It's fun for everyone! Please bring your dog's vaccination/health records to the first class. New! Tail Wagging Tutors - Children Reading to Dogs #41006201 Ages 5-12

We are happy to introduce Therapy Dogs International Children Reading To Dogs Program - The main objective of this program is to provide a relaxed and “dog-friendly” atmosphere, which allows a child to practice the skill of reading. By sitting down next to a dog and reading to the dog, all threats of being judged are put aside. The child relaxes, pats the attentive dog, and focuses on the reading. Reading improves because the child is practicing the skill of reading, building self-esteem, and associating reading with something pleasant. Therapy dogs and handler have passed TDI’s temperament evaluation and are registered with TDI International. Please bring your own reading materials or borrow ours. Reading blocks are 15 minutes each, maximum 3 readers will be permitted in each block.
