WAUKEGAN PARK DISTRICT

Board Meetings

Your personal participation is an integral part of this decision-making process. The Park Board meets the second Tuesday of each month at the Corrine J. Rose Administrative Center, 2000 Belvidere Street. You are always welcome to attend.

Staff

Executive Director: Greg Petry, CPRE
Superintendent of Cultural Arts: Claudia Freeman, CPRP
Superintendent of Parks: Mike Trigg, CPRP
Superintendent of Recreation: Jay Lerner, CPRE, CPP
Superintendent of Finance: Jim Glogovsky, CPRE

Recreation Connection

Our brochure is published seasonally by the Waukegan Park District and is delivered by the U.S. Postal Service via bulk mail to all District residents. Current issues are available at all Park District facilities one week prior to registration dates.

Editor: Theodora Anderson, CPRP
Layout and Design: Michael G. Pavelich

From Your Executive Director

I hope that you and your family have had an enjoyable summer. As we move into the fall, I would like to keep you aware of three major initiatives that your park district has in play (pun intended!).

- As of this date, the pool is on time and within the budget. Construction is scheduled to be completed in early October. We plan on testing the mechanical systems for a week or two to work out any issues and then open shortly thereafter. Please visit the website www.waukeganparks.org or stop by the Field House to inquire about specials we are offering for current and new members so you can experience the new Pool.
- December 26th, the day after Christmas, please plan on coming at 5:30 pm to Belvidere Park to watch the 100th Anniversary Fireworks display. The Park District was created December 26, 1916.
- We have joined forces with the Lake County Health Department to participate in the "Live Well Lake County (LWLC)" initiative. The focus of this program is to align and create common targets for health improvement in Waukegan and across the county. It calls all community sectors (including park districts) to coordinate our efforts together in order to improve the health in all the Lake County communities. Watch for new and expanded programs geared to fight Cardiovascular Disease, Hypertension, Mental Health Issues, Obesity and Diabetes.

Greg Petry
