## Tail Waggin' Tutors - Children Reading to Dogs

#11006201

Ages 5-12

We are happy to introduce Therapy Dogs International (TDI) Children Reading To Dogs Program. The main objective of this program is to provide a relaxed and "dog-friendly" atmosphere, which allows a child to practice the skill of reading. By sitting next to and reading to the dog, all threats of being judged are put aside. The child relaxes, pats the attentive dog, and focuses on the reading. Reading improves because the child is practicing the skill of reading, building self-esteem, and associating reading with something pleasant. Therapy dogs and handler have passed TDI's temperament evaluation and are registered with TDI International. Please bring your own reading materials or borrow ours. Reading blocks are 15 minutes each, maximum three readers will be permitted in each block.
