

# WAUKEGAN POLAR BEAR PLUNGE

## IMPORTANT INFORMATION

The Waukegan Park District and City of Waukegan are committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District and City continuously strive to reduce certain risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. For example, **DIVING IS STRICTLY PROHIBITED, THE WATER DEPTH IS APPROXIMATELY FOUR (4) FEET.** However, participants and parents/guardians of minors registering for this event must recognize that there is an inherent risk of injury when choosing to participate in a Polar Bear Plunge.

You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for this special event. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before participating in this activity.

### WARNING OF RISK

Polar Bear Plunges challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to slipping on a snowy or icy surface, head and neck injuries associated with striking one's head on the bottom, tripping on or striking against a slope or a submerged object, accidental hypothermia, sudden cardiac arrest, frostnip, frostbite, and drowning. Vulnerability to cold injury is also increased when circulation is impaired by cardiovascular disease, drunkenness, impaired consciousness, exhaustion, hunger, or very young or old age. Understandably, not all hazards and dangers can be foreseen. The very nature of exposing the body to extreme cold is hazardous and risky. In this regard, it must be recognized that it is impossible for the Park District and City to guarantee absolute safety.
