## OBEDIENCE TRAINING

We are here to help you teach your dog to become a well-behaved family pet, one that is a joy to own and a pleasure to take anywhere! All teaching and training methods from instructor Karin Magnuson are based on reward, motivation, and positive reinforcement, as well as dog and handler training needs. By using these effective methods, training becomes fun for both dog and owner! There are also plenty of opportunities for your dog to practice staying calm while socializing with other people and dogs. The first night of class, please bring your dog's vaccination/health records. Owners of aggressive dogs must be in control of their pets at all times to remain in class. One owner per dog is required. Only registered dogs and owners may attend class. Dog and owner should attend all classes. Please do not use retractable leashes. Please register early.

## AKC S.T.A.R. Puppy® Program

The AKC S.T.A.R. Puppy is an exciting new program designed to get dog owners and their puppies off to a good start. The AKC S.T.A.R. Puppy Program is an incentive program for loving dog owners who have taken the time to take their puppies through a basic training class. How It Works: When you complete our basic training class (taught by an AKC Approved CGC Evaluator) with your puppy (up to six months old) your puppy is eligible to be enrolled in the AKC S.T.A.R. Puppy Program. You'll attend any puppy or basic training class at least six weeks. Your instructor will administer the AKC S.T.A.R. Puppy test during and at the end of the course. We want you and your puppy to continue learning beyond puppy classes

## AKC's Canine Good Citizen®

This is the next step to take after you and your dog complete the AKC S.T.A.R. Puppy program. The AKC's Canine Good Citizen (CGC) Program is designed to reward dogs who have good manners at home and in the community. The Canine Good Citizen Program is a two-part program that emphasizes responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the ten-step CGC test may receive a certificate from the American Kennel Club. This test is administered on-site after completion of the Advanced Dog Obedience program. There is a \$10 fee for AKC or Canine Good Citizen registration. .

*All K9 Programs are instructed by a certified AKC Approved S.T.A.R. Puppy and Canine Good Citizen® Evaluator.*

## Callahan-Franklin Dog Exercise Area and Agility Playground

As winter approaches, enjoy a walk and playtime with your canine friend. The Callahan-Franklin Dog Exercise Area and Agility Playground, 1720 Western Avenue, offers a great off leash area for dogs to play. The exercise area is divided into three sections: small dogs, larger dogs and the agility playground.

For your dog's safety and your own, please read and follow the rules posted at the entrance to the play area so all may enjoy the park. Your dog needs to be under voice control at all times in the dog park. All dogs in a park must be vaccinated and display a vaccination tag. We hope you enjoy our park and don't forget to scoop the poop!

## Dog Agility

In this class the handler directs the leashed dog through an obstacle course set by instructor Karin Magnuson. Owners may cheer, clap, and call the dogs through each obstacle as it best serves them. There are jumps of various makes, climbing obstacles, weave poles, tunnels, and a pause table. This class is always entertaining whether the dog does as you ask or not. It's fun for everyone! Please bring your dog's vaccination/health records to the first class. Owners of aggressive dogs must be in control of their pets at all times to remain in class. Dog and owner need to have completed an Advanced Obedience Training class prior to registering.
