#### Waukegan Park District

hank you for your interest in the Waukegan Park District Tree Donation Program. What better tribute can one make than to present the community with a growing gift of nature which benefits so many and serves as a living reminder for years to come.

Trees donated to the Waukegan Park District are planted twice during the year. The deadline for spring planting requests is May 1st and the deadline for fall planting requests is September 15th.

An optional bronze plaque is available for an additional charge to commemorate a loved one, a group or an event.

We will be happy to assist you with your tree and site selection, and hosting of a ceremony. You may choose from the list of parks in this brochure. Our staff will advise you of the exact location in the park.

# thank you

The Waukegan Park District carefully maintains our tree inventory. We will take care of all watering, fertilizing and pruning. In the event something should happen to the tree within the first three years, it will be replaced by the Park District at no cost to the donor.

If you prefer, you can make a general donation and not specify a tree or site selection.

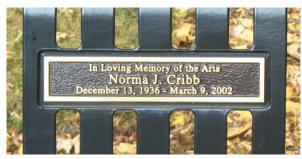

## another option...

Another popular donation option is one or more benches, which can be combined into a seating area. A bronze plaque with your inscription is mounted in the center of the bench. Wrought-iron benches are available to sponsor in a park agreed upon by you and the District. Contact us at 847-360-4755 for more details!

Bench donation with plaque. Actual style of bench may vary.

Cast-bronze bench plaque (2" x 10" actual size) mounted in wrought-iron bench slat. Style and size may vary.

The memorial bench style will be chosen by the Waukegan Park District in order to maintain consistency throughout each park.

The Waukegan Park District will assist you in selecting a park and location for the bench.

Benches require an eight to ten-week lead time from date of initial order to final installation.

Price – \$1,700 includes installation and memorial plaque.
