

WAUKEGAN PARK DISTRICT

MEMORANDUM

To: Board of Park Commissioners
From: Errick Beverly, Director of Recreation
Date: August 10, 2023
Re: Sole Source Procurement

Staff recommends to purchase:

Atlas, Sound Tube, Shure and JBL products for the sound system in the Field House. The current sound system products for the Field House need to be updated and replaced. The sound system equipment is used by our staff, members, daily users, and Park District programs.

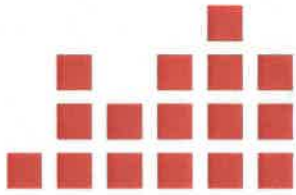

In the marketplace, Sound Design is the sole source provider for Atlas, Sound Tube, Shure and JBL equipment for the state of Illinois, as such our conducted research is below and attached in the Sole Source Justification form.

Due to the fact the equipment:

1. Can only be provided from one (1) known source;
2. Is unique or special in nature;
3. Is a proprietary system (i.e., updates, specialized replacement parts, etc.);
4. Specialized nature and there is no other qualified service provider available and is requested.

In accordance with the Illinois Procurement Code, District staff is seeking approval of the sole source procurement.

If you have any questions before the meeting, please let me know as I'd be more than willing to discuss.
Thank You.

SOUND DESIGN
