Memorial Program

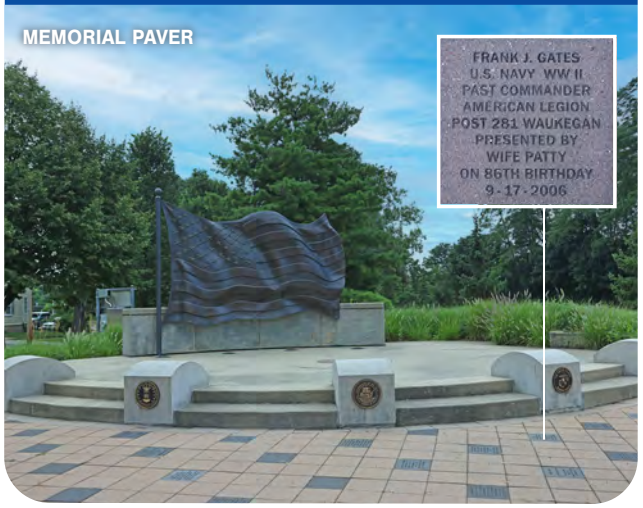

The Waukegan Park District's Memorial Program offers the community the opportunity to remember loved ones, accomplishments, and achievements in a timeless and unique way in local parks. Choose from one of our three options.

Tree of Life

The Waukegan Park District is recognizing National Crime Victims' Rights Week with the Tree of Life Program, funded by a grant from the Crime Victims' Service Fund of the Nineteenth Judicial Circuit Court. The program is an opportunity for families and friends to honor an individual who was a victim of crime with a tree and a plaque in a local park.

Veterans Memorial Plaza Paver

The memorial brick paver is 12"x12" with an engraved personalized message. The placement of your brick will be coordinated with the Parks Department to ensure your satisfaction.

Memorial Tree and Bench

Memorial trees and benches are also available for installation in our parks. We will be happy to assist you with site selection from the list of parks in this brochure. Our staff will advise you of the exact location in the park once placed. Tree species can be chosen upon application. The memorial bench is made from wrought iron that will be placed at the park of your choice. Placement of trees and benches will be coordinated with the Parks Department to ensure your satisfaction.

Parks

Adelphi Park	3151 Wall Avenue
Arbor Park	1151 S. Pleasant Hill Gate

Bronze Tree Plaque	$150
Bench and Plaque	$1,700
Veterans Plaza Paver	$200

A 3% service fee will be applied to payments made using credit or debit cards for all purchases.

Timeline

Trees donated to the Waukegan Park District are planted twice during the year. The deadline for spring planting requests is May 1 and the deadline for fall planting requests is September 15. Benches and brick pavers are available for installation year-round, weather permitting.

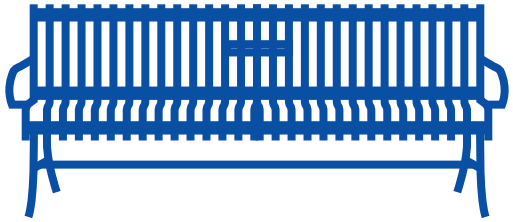

Commemorative Plaque

A plaque will be created to commemorate your loved one and placed by your selected tree or bench, or a brick paver at Veterans Memorial Plaza. We will be happy to assist you with your tree and site selection. You may choose from the list of parks at waukeganparks.org/map. Our staff will advise you of the exact location of your plaque once placed.

Maintenance

The Waukegan Park District carefully maintains our tree inventory. We will take care of all watering, fertilizing and pruning. In the event something should happen to the tree within the first three years, it will be replaced by the Park District at no cost.
